Testimonial

On behalf of our group of 68 participants who took the 13-day Pilgrimage Tour from January 6 to 18, 2019, I am writing to express our deep appreciation for the excellent services provided by Buddha Trails Tours

We would like to thank Shashank, Amit, Sinku, and Kumar for taking exceptional care of us. The provision of bottled water, snacks, hotel bookings, and ensuring our security during walks to the Ganges was remarkable. Special thanks also go to the bus drivers; despite the bumpy and narrow roads, they maintained good control, making us feel safe.

Following the pilgrimage, a group of 6 of us embarked on a 3-day Jaipur Tour from January 19 to 21, 2019, and once again, we were impressed with the services provided by Buddha Trails Tours. Amit, our tour guide, was incredibly helpful, providing us with bottled water, snacks, and ensuring all hotel bookings were handled efficiently. The local guide possessed in-depth knowledge of every site we visited in Jaipur, including the City Palace, Jantar Mantar, Palace of Winds, and Amber Fort, and his explanations in good English made our visit informative and enjoyable. Shashank, the tour supervisor, assisted our group with airline check-in and boarding passes, ensuring everyone passed through security smoothly before departure.

In conclusion, I wholeheartedly recommend Buddha Trails Tours to anyone planning to visit India. These experiences demonstrate that the company can efficiently organize tours for both large groups, like our 68-person pilgrimage, and smaller groups, like our 6-person city tour. Most importantly, Buddha Trails Tours offers reasonable tour prices coupled with excellent service.
